

# 2021 MTA March Madness Basketball Information

## How can I get a ticket?

Tickets can be obtained in two ways:

- 1) Purchase directly online by clicking <https://tinyurl.com/mtamarchmadness2021>
- 2) We have MTA Dads out in the community selling tickets too

## How does the raffle work?

For each ticket in the inventory, 4 college teams, one from each region, have been randomly assigned. For example, 1 ticket might have #1 seed West, #15 seed Midwest, #8 seed South and #12 seed East. Each ticket has a unique combination and the total points for a given ticket is totaled. The ticket(s) that have the most cumulative points will be awarded prize money.

The MTA Dad's club has a relationship with a third party that provides software and a website to run the tournament.

## Do I need a physical copy of my ticket?

No. While each ticket has a physical representation, it is also stored digitally on the raffle website. When you buy a ticket you will receive an email with your digital ticket.

## Can I buy tickets after the tournament starts?

Yes, while supplies last, the tickets can be purchased throughout the tournament. The tickets in the inventory are not activated until purchased. Potentially, someone could purchase a winning ticket at the end of the tournament, but if no one purchases the ticket it will **not** be activated and will not be counted in the scores.
