- VII. 22-23 Budget recap
 - a. Capital improvement project
 - b. Noon duty aids
- VIII. Proposed budget 23-24
 - a. Can we do something about the entrance and exit of the parking lot? We are working with the district to determine if this is possible
 - b. Need a copy of the budget because it was hard to see
- IX. Principal's update
 - a. Math programs are being piloted in each grade level this semester
 - i. Math in focus
 - ii. Reveal math
 - b. Make sure your email address is correct in PowerSchool. Can also provide email address to Mr. Merrill's assistant. Emails may go to spam so please check and mark as not spam
 - c. Will most likely be able to have parent volunteer at entrance and exit of parking lot to assist with kids crossing while traffic is heavy
 - d. Looking for 7/8th grade science teacher. Currently there is a long-term sub that will be taking over that position

Q: How similar are the math programs that are being piloted?
A: Teachers worked hard on continuity so that children will not notice going from one program to another
Q: How will children be graded who are piloting the programs?
A: Same as everyone else in their grade
Q: Will we get bus drivers for school sports transportation?

A: there is no buses in the foreseeable future

10. Teacher representative
